LIGHTPEN[®]

COLOUR ENLIGHTENMENT

*Learn to use
the power of colour
and light*

energised by

AURA-SOMA[®]

Beamer Light Pen® - Colour Enlightenment®

is a system of personal growth and healing, developed by Galadriel Flammini and Dr. Robert Hasinger, which includes different therapeutic techniques, derived from humanistic psychology, ancient wisdom, subtle anatomy and the secrets of colour and light. Colour and light are used on the aura, on the body and on the most important ancient and modern energetic maps to improve wellbeing, increase overall health and promote personal growth and development.

1° LEVEL

OPENING THE PORTALS OF LIGHT

This course is the first step in the fascinating world of the **Beamer Light Pen® - Colour Enlightenment®**, a unique and powerful healing system which today has spread to all five continents.

DIDACTIC CURRICULUM:

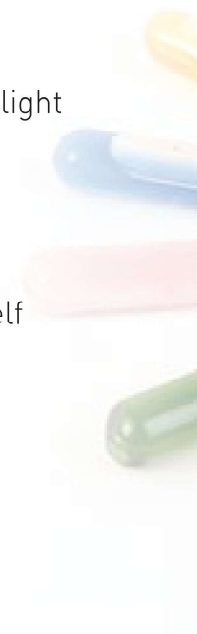

- The Language of Colour
- The meaning of Colours - Aura Soma and Goethe
- Theory of Light
- Aura and Subtle Bodies
- Exploration and rebalancing of the Chakras
- Diagnostic criteria for the evaluation of Chakra state
- Energetic Balance with the three major Stars of the subtle Anatomy
- Meridian Points for charge and discharge of the Chakras
- Integration of the classical **Aura-Soma®** products with **Beamer Light Pen® - Colour Enlightenment®**
- Practical Applications
- Introduction to the different manifestations of the energy centers
- Introduction to the practical aspects of the professional activity
- Latest scientific research concerning colour and light
- Activation of the Mayan Gates according to the principles of "**Mayan Energy Work®**"
- Practice of the acquired techniques.

COURSE OBJECTIVE

to allow the student to start practising on him/herself and others. Ability to follow the next levels of the training.

DURATION OF THE COURSE: 3 DAYS

- open to everybody, no pre-requisites

Once you have completed the 1.Level, the remaining courses of the training can be taken as you please, without the need to follow any sequence.

All the different levels of the training are independent and complete in themselves. Each one has the 1.Level as a pre requisite.

Each level of the training continues to have a number to facilitate communication and for practical purposes, but they do not request any kind of sequence. The training follows a university style teaching with the courses in free choice.

Courses are available in presence and online.

Courses in presence happen in “Le Pietre Parlanti”, surrounded by woods, organic gardens, vineyards and fresh water springs with a breathtaking view from the hills between Tuscany and Umbria.

2° LEVEL

EMOTIONAL COMPETENCE

In this course you start to use advanced techniques of emotional release and awareness, essential for an increased activation of consciousness.

DIDACTIC CURRICULUM:

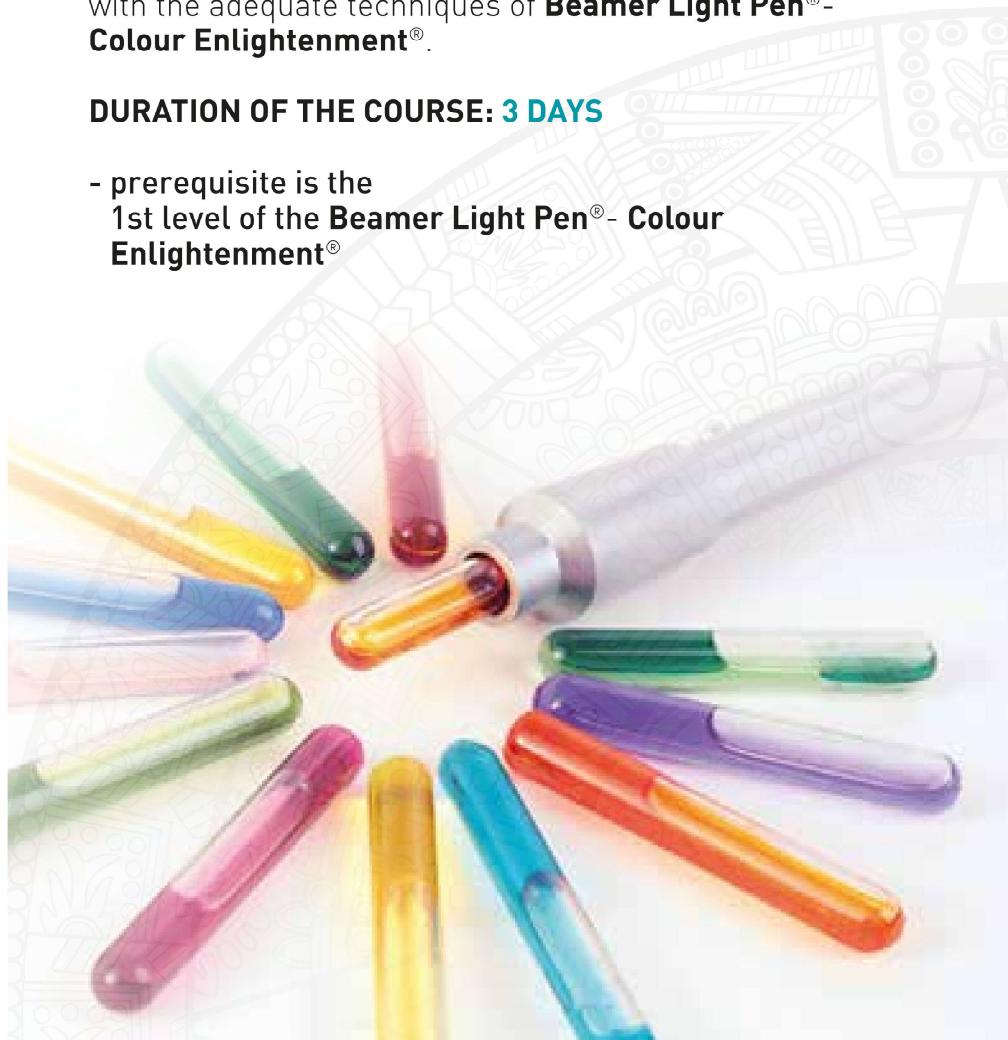

- The Chakras of the hand and how to activate them
- Activation of the trust and empathy of the heart
- Activation of the available Inner Resources
- Activation of the third eye
- Sacred Geometry and Colour
- Collective Issues: Survival
- Collective Issues: Dependency
- Collective Issues: Judgement
- Collective Issues: Communication
- Collective Issues: Responsibility
- The Power of Intuition
- Practice of the acquired techniques

COURSE OBJECTIVE

to allow the student to understand and evaluate the individual and collective emotional states and to enable the student to balance these emotional states with the adequate techniques of **Beamer Light Pen®- Colour Enlightenment®**.

DURATION OF THE COURSE: 3 DAYS

- prerequisite is the 1st level of the **Beamer Light Pen®- Colour Enlightenment®**

3.LEVEL

MAYAN WISDOM

This very interesting and stimulating Course introduces the Sacred Mayan Calendar and will allow you to work in depth with the Mayan Wisdom System.

We will explore the extraordinary Mayan culture. A culture of integration of human life on this planet, but also a culture of understanding the galactic and universal dimension and its integration with human life. Actually, that is the knowledge and wisdom they have transmitted through their Sacred Calendar, the Tzolkin. Giving us an incredible map, a map which allows us to synchronize ourselves and our actions, but also our work, our projects, the work with our patients and clients with the great harmonic cycles which govern the universe.

You will learn the meaning of the Mayan Numbers, the meaning of Mayan Tones and how to calculate the Mayan waves of life dimensions for the individual.

You will be able to apply the discoveries of the Mayan consciousness practically in your treatment.

Completing this course you will be able to do real

“Energy Coaching ®” for your clients.

COURSE OBJECTIVE

Understanding and application of the Sacred Mayan Calendar in the **Beamer Light Pen®- Colour Enlightenment®** work. Capacity to apply the concept of the “Life Wave” in the treatment and in the form of **“Energy Coaching ®”**

DURATION OF THE COURSE: 3 DAYS

- prerequisite is the 1st level of **Beamer Light Pen®-Colour Enlightenment®**

4.LEVEL

LIGHT, COLOR AND THE HUMAN BODY

This course is focused on the physical body, coming from a holistic perspective. It gives the student a well grounded understanding of the relationship between colour and light and the most important aspects of the functioning of our organism.

In this course you will realize that the integration between the functioning of our physical body and the energies of colour and light is far deeper than is ordinarily thought. **Light, Colour and the Human Body** opens amazing and innovative perspectives to everybody working with colour and light.

The student will, among other things, receive:

- an understanding of the functioning of the most important anatomical and physiological structures in our body, and how these structures relate to colour and light (Heart and Circulation, Endocrine System, Nervous System, etc.);
- an explanation of the scientific basis that we use to understand the interaction between colour, light and the human body;
- an explanation of the embriological development of the human being, the embriological sheets and how they relate to the dimension of colour;
- an introduction to the theory of colour and its relation to the human body;
- an understanding of the basic disturbances that can happen in the human body, and how those relate to colour and light how to use colour and light to support the body in recovering its natural balance;
- new techniques of intervention with the **Beamer Light Pen®- Colour Enlightenment®**
- and so much more...

COURSE OBJECTIVE

is to give a basic understanding of the functioning of the human organism and its interaction with colour and light.

DURATION OF THE COURSE: 3 DAYS

5.LEVEL ESOTERIC SCIENCE

This course is dedicated to the deepening of your understanding of subtle energy work. With the information you will receive in this course, you will be able to do your sessions also over a distance and online. You will be able to work over a distance and will have more powerful instruments at your disposition to protect yourself, your energy and the quality of your Beamer Light Pen work. This course will turbo charge your work with the Beamer Light Pen!

Capacità di dare sessioni a distanza e online.

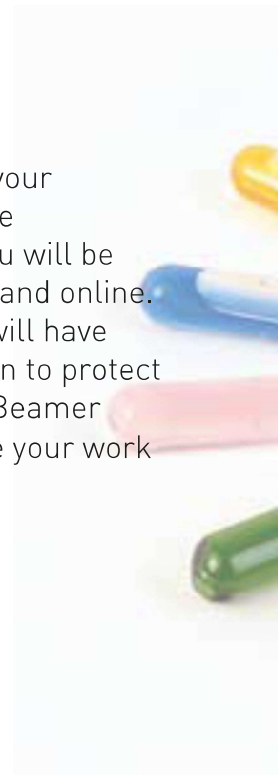

DURATION OF THE COURSE: 3 DAYS

- prerequisite is the 1st level of
Beamer Light Pen®-Colour Enlightenment®

**On completion of the different levels of the
training you will receive the certificate of**

QUALIFIED BEAMER LIGHT PEN PRACTITIONER

**opening the doors to the Presenter and Teacher
Training**

ALL THE TRAINING COURSES ARE PRESENTED BY:

Galaadriel Flammini is trained in psychology, philosophy and language studies. She has then specialised in humanistic psychology with some of the most important teachers in this field, like Alexander Lowen. She has more than 30 years experience as a therapist, a meditator and as a successful author. Her books have been translated into several languages.

At the end of the 70s, in America, she specializes in alternative psychosomatic techniques like Rebirthing, Postural Integration, Bioenergetics, Ericksonian Hypnosis etc.).

In the beginning of the 80s, always in America, she starts to study North American Shamanism, followed by studies of Shamanism in Indonesia, Australia and Brasil.

In the 80s and 90s she has developed and conducted Trainings, Seminars and Workshop about the evolution of consciousness in India. She has been one of the first Aura-Soma® Teachers in the world and the first one to introduce Aura-Soma® in Italia. After several years of intense experience teaching colour and Aura-Soma®, she has developed, together with Dr. Robert Hasinger, the Beamer Light Pen Training® - Colour Enlightenment®.

Today Galadriel teaches in Europe, Japan, America, Mexico and Brazil.

She is the author of several books on healing through light and colour, and co-directs the BLP Global Academy.

Dr. Robert Hasinger has studied **medicine, neurology and neurosurgery in Germany.**

During a sabbatical year in the Amazon, observing indigenous healing techniques and ceremonies, he decides to expand his medical studies into the holistic medical field. He starts studying and eventually practising complementary and ethno medical systems like Chinese and Japanese Acupuncture, Psychosomatics, Psychotherapy, Shamanic Techniques and Classical Homeopathy, where he becomes one of the major experts in the world.

Teacher of Aura-Soma® and director of Aura Soma Italy, in 1995 he has created together with Galaadriel Flammini the Beamer Light Pen Training® - Colour Enlightenment® which is today disseminated and practised all over the globe.

Dr. Hasinger works daily with patients and teaches holistic medicine, holistic homeopathy, energy workshops and different personal growth seminars in Italy, Germany, Japan, Brazil, America and other parts of the world.

He has published several books on colour and healing, and is the author of a bestseller on Feng Shui.

He co-directs the BLP Global Academy together with Galadriel.
